Collective Power

Collective Advocacy Community

EXPAND STATE ADVOCACY COMMUNITY

Through granting, support of traditionally marginalized advocacy voices, and catalyzing coalitions.

**STRATEGY**

ELEVATE ANTIRACIST PRIORITIES

In advocacy communities through thought partnership, resources, and grants; in our own organization through learning and process improvement.

ACCELERATE ADVOCACY EFFECTIVENESS

Through a staff and a national advocacy community that deliver technical assistance, peer exchange, and support.

**AGENDA**

**LIVED EXPERIENCE**

Where children live, the color of their skin, and the economic stability of their families too often determine their destiny.

Structural racism limits how we build power to effect lasting change.

**RESULT:**

Every child in every state has what they need in the early years to realize their full potential for a lifetime.
